

Need Community Service or Earth Science hours?

Remove invasive plants from campus. E/SCAPE starts Tuesday, September 9, 2:30-4:30, weather permitting, and every Tuesday thereafter.

Meet after school with Nancy Sofen at the big rocks between Science and the Main Building.

We uproot and cut down plants in the marshes and woods of LHS.

Dress appropriately.

There will be snacks!!

For more information speak with Jim Williams in the Math Teachers Office, 713.
